EXPERIENCE

UNKNOWN | BACKEND DEVELOPMENT

Uzbekistan | May 2024 – May 2024

I developed an e-commerce website for a clothing shop, enabling customers to easily browse and purchase clothing items. The site features a modern design, product search, category filtering, secure checkout, and user account management, all optimized for performance and mobile responsiveness.

ZARGARSHOP | FULL-STACK

Uzbekistan | June 2024 – July 2024

You can get information about jewelry there.

MINI GAMES | FULL-STACK

England | July 2024 – July 2024

The telegram mini app which has very much mini games to play online with friends
